Work Experience

MBM Food Service - Driver/Yardman Nov 2014 to Present

Riverwind Casino Norman, Ok April 2013 to Nov 2014 Transportation Dispatcher –
Input daily paperwork via Excel and Word. Dispatch drivers of vehicles and drive when necessary.

CVDesignsOnline World Wide 2012 to present

Self-employed business building online business sites and e-commerce now in progress. I am currently focused on attaining more skills and finishing school, but I do currently have a few clients that I am working with. The portfolio link is at the bottom.

Fort McDowell Yavapai Materials - Fountain Hills, AZ 2003 to 2012

Driver/Operator on Mixers, Heavy Equipment and Super 16 dump truck for deliveries all over the Phoenix Valley area. Taking care of customer deliveries and orders of landscape, concrete and construction materials. Also did training of company drivers and coordinated with independent truckers who worked with us.

CV Livestock – Marana, AZ 1991 to 1997

Bought, sold, trained and furnished rodeo bucking stock. Managed business, employees and livestock. Along with weekly performance at our arena and around AZ, we managed to produce stock that made it into the professional ranks and even the National Finals Rodeo in Las Vegas, NV.

Other

Maintain a class A CDL with endorsements for double, triples passengers and tankers.

I built the following portfolio site on October 14, 2014. It took me 21 hours, worked on it straight through.
